Dear Folks

How's things back there on that side of the Ocean? Everything running O.K. over here. Please excuse the V-Mail but I have run out of writing paper. Please try & send some if possible.

Mail sure has been coming in of late. Received 14 letters yesterday along with a dozen calla. Received 4 letters today. Boy it sure does feel good to come in after going to a show or to the Red Cross Club & see your bunk all up with mail. The mail man is getting to know my serial number because he is getting to see my name so often. Probly after receiving 2 or three letters in about five days you don't get such a kick out of them but over here we enjoy the 10 or so we get as much as the first one. Received Valentine Cards from El & Mavis. Also one from Barb Carr & a picture of Aunt Mabel along with a letter.

Hope Dad's work is running along fine. Bet Robin is becoming a real hand at painting. Tell Dad & Lois I will write them as soon as I can but I'm afraid it will be long before it is all over

Love Dick
